

Some amazing examples of children, adults, parents, schools, residential homes, and much more bringing activities from the therapeutic treasure collection alive- thank you these are what make my heart sing! Keep them coming- part 1.

Walnut class
@walnut_Yacademy

The start of our personalised Presley folders, to keep all things Presley safe 🐶❤️ each one is designed by the children, unique to them and their safe places. Can't wait to share the finished designs 😊

Sharing the Sparkle

Behold, Presley the Pug-kin

Credit to Elaine for the activity idea. The awful pun is entirely mine
