

Dr Karen Treisman- part 2- creative ways my activities from books and cards have been applied.

Dr Karen Treisman- part 2- creative ways my activities from books and cards have been applied.

Show and Tell (emotions)  
**I made feelings balloons**

First, I matched the expressions to the name of 7 feelings.

Happy	Surprised	Angry
Scared	Sad	Love
Confused		

Then I chose what colour balloon I wanted to use for each feeling

Then I stuck the faces onto the balloons to create my "feelings balloons"

Afterwards, I had lots of fun playing with my balloons
